RELEVANT EXPERIENCE

Internship, Dr. Naraghi at St. Joseph's

June 2025 - July 2025

Participated in daily rounds with Dr. Naraghi and the PA team, managing pre- and post-op kidney and pancreas transplant patients. Observed transplant surgeries and supported patient-centered care through Spanish-English medical interpretation.

Church Maintenance

2023-2025

I assisted a neighbor on Sunday morning's to clean his church.

Camp Counselor — Leadership

2023-2025

- Cabin Leader, Camp Harmony
- Cabin Leader, Southern California Hands and Voices, a Deaf and hard-of-hearing camp

Assistant Volleyball Coach — Echo Horizon School

2023-2025

Lead practice and drills for elementary school boys volleyball team.

RELEVANT EXPERIENCE

Carleton College Summer Liberal Arts Institute

Northfield, Minnesota

Summer 2024

Competitive summer program focused on neuroscience research, labs, and critical thinking. Earned a certificate of completion for academic work in neuroscience. Received an A.

University of California, Irvine

Irvine, California

Summer 2025

I took a for-credit neurobiology course at UCI focused on learning more about how human memory functions and how humans learn and store new information. Received an A.

Windward School, Mar Vista — Middle & High School

2020 (7th Grade) - Present

I was a part of a student-faculty committee for selecting English curriculum readings. I work on my STEAM Scholar Project, which is a ski helmet that can detect motion and issue warning signals for hard-of-hearing people.
